

Ad Fontes Academy Admission Testing

Applicants to grades 5-12 must take the Independent School Entrance Exam (ISEE) for admissions and grade placement.

The ISEE provides:

- Standard assessment of each applicant's skills and a ranking of abilities and achievement against peers.
- Standards aligned with the National Council of Teachers of English (NCTE), the International Reading Association (IRA), and the National Council of Teachers of Mathematics (NCTM).
- Confirmation from statisticians that each item is relevant, content specific, and suited to providing the most accurate assessments.

We strongly recommend that you visit
